Timeline:

Nightly, Wednesday, July 29 and Thursday, July 30, 2026, 8:00 p.m. to 6:00 a.m.*

If postponed due to weather or other unforeseen circumstances, a raindate of Friday will be added during the same overnight window (8:00 p.m.–6:00 a.m.).*

What we are doing and why:

Components of the sliding door on the platform at the Museum Station Second Entrance / Exit in Queens Park will be removed and replaced.

What to expect:

- Museum Station will remain open during regular service hours.
- During this work, customers will be encouraged to use the main entrances at Museum Station (south of Bloor Street).
- Noise, dust, and vibrations associated with construction can be expected with this work. Efforts will be made to keep levels to a minimum.

Easier Access construction at Museum Station is scheduled for completion in Q3 2026.

Thank you for your patience as we continue to make Toronto Transit accessible.
