Components of the sliding door on the platform at the Museum Station Second Entrance / Exit in Queens Park will be removed and replaced.

#### What to expect:

- Museum Station will remain open during regular service hours.
- During this work, customers will be redirected (with signage in place) to use the main entrances at Museum Station (south of Bloor Street).
- Noise, dust, and vibrations associated with construction can be expected with this work. Efforts will be made to keep levels to a minimum.
