

## Service changes to the 509 Harbourfront and 511 Bathurst streetcar routes

### TTC service changes:

Starting Sunday, February 16, 2025 to March 29, 2025

*\*Content/timeline accurate at the time of printing*

### What's happening at Bathurst Street, Fleet Street, and Lake Shore Boulevard West?

Starting **February 17, 2025**, the City of Toronto will begin replacing the old watermain along Bathurst Street from Housey Street to south of Lake Shore Boulevard West.

At the end of **March 2025** City and the TTC will begin replacing the old streetcar tracks on the same section of Bathurst Street and on Fleet Street immediately west of Bathurst Street. This work is required to restore city infrastructure to a state of good repair and is part of the City Council's approved 2024 Capital Works Program.

The TTC will upgrade the remainder of the streetcar tracks on Fleet Street and Fleet Street Loop in 2026.

### Work activities will include:

- Watermain replacement on Bathurst Street from Housey Street to south of Lake Shore Boulevard West.
- Streetcar track renewal on Bathurst Street from Housey Street to south of Lake Shore Boulevard West.
- Streetcar track renewal on Fleet Street, immediately west of Bathurst Street.

Before streetcar track work commences, the TTC will deliver new streetcar rail panels on flat trailers. The new rail panels will be stored near the work zone. TTC will provide additional details once confirmed.

### TTC Diversions

The TTC must adjust service on the **509 Harbourfront** and **511 Bathurst** streetcar routes during the infrastructure upgrades. **Please see the reverse page for details.**

**Routes/Schedules/Fares:** 416-393-4636 (automated - 24 hours daily)

**Customer Service:** 416-393-3030 (daily 7 a.m. to 10 p.m.)

**Telecommunications Relay Service:** 1-800-855-0511
