

## Sheppard-Yonge Station Bus roadway closure for infrastructure upgrades

**Timeline: April 1, 2024 to late 2024**

\*Content / timeline accurate at time of printing

### What we are doing and why?

Starting April 1, 2024, the bus roadway at Sheppard-Yonge Station is scheduled to be closed for construction.

Subway and bus service will be maintained throughout the project.

### What to expect

- Major construction activities include excavating and removing the existing bus roadway, renewing catch basins and maintenance covers, and placing new concrete.
- Bus boarding locations will be temporarily relocated to Sheppard Avenue West.
- The bus terminal and the rest of the station will remain open for customer use.
- Work will be carried out in phases to maintain a pedestrian walkway between the bus terminal and Sheppard Avenue West.
- Noise, dust, and vibration associated with construction can be expected with this work. Efforts will be made to keep levels to a minimum.

### Work hours

- The majority of work activities will take place between 7 a.m. and 7 p.m. daily from Monday to Friday.
- Some overnight activity may be required for safety such as work zone set up and teardown of fencing and construction hoarding.

### TTC changes starting April 1, 2024

- **84/984 Sheppard West buses** will pick-up customers on the north side of Sheppard Avenue West, south of the bus terminal.
- **85 Sheppard East buses** will pick-up customers at the southeast corner of Sheppard Avenue and Yonge Street.
- Westbound **98 Willowdale-Senlac buses** will pick-up customers at the northeast corner of Sheppard Avenue and Yonge Street. Eastbound buses will pick-up at the southeast corner of Sheppard Avenue and Yonge Street.
- **384 Sheppard West night buses** will pick-up customers at the existing on-street stop on Sheppard Avenue West, south of the bus terminal.
- **385 Sheppard East night buses** will pick-up customers at the southeast corner of Sheppard Avenue and Yonge Street.
