Decision: Donlands Second Exit/Entrance Location Contract D6-3

At its meeting of February 21, 2017, the Board approved the recommendations in the staff report, as follows:

It is recommended that the Board:

1. Approve Option E at 17/19 Dewhurst Boulevard (residential properties on the east side of Dewhurst Boulevard, north of Danforth Avenue) as the location for the Donlands Station second exit, as recommended by the LWG (see map in Appendix A); and
2. Request staff to work with City Real Estate Services, and Council if required to direct the funds from the sale of 1 and 3 Strathmore Boulevard back to the TTC's Fire Ventilation Upgrade Project, once these properties are no longer required.
