Decision: Canadian Content – Bus Procurement

At its meeting of June 15, 2017, the Board approved the recommendations in the staff report, as follows:

It is recommended that the Board:

1. Adopt the MTO's Canadian Content for Transit Vehicle Procurement Policy; thereby replacing TTC's current Canadian Content Policy to prepare for the implementation of the CFTA and CETA which is anticipated to be passed into legislation after the third reading by the Canadian Government, thereby coming into effect July 1, 2017.
