

## **Results of the King Street Transit Pilot**

### **TTC Board Decision**

---

The TTC Board, at its meeting on April 11, 2019 adopted the following:

It is recommended that the TTC Board:

1. Endorse the findings of the joint City-TTC report, attached, entitled “The Future of King Street: Results of the Transit Pilot”, to be considered at Executive Committee on April 9, 2019 and City Council on April 16, 2019.
2. Request that City Council approve the recommendation in the “The Future of King Street: Results of the Transit Pilot” that King Street continue to operate as a Transit Priority Corridor between Bathurst Street and Jarvis Street.
3. Request that the City further monitor and assess the late-night performance of the King Street Transit Priority Corridor to inform the consideration of changes to improve transit operations.
4. Note that TTC staff, in collaboration with the City, will initiate discussions on longer-term improvements to the King Street Transit Priority Corridor to be aligned with track reconstruction planned for 2023.

### **Advice and Other Information**

---

The TTC Board also adopted the following member motion:

1. That City Council consider approving access for TTC Wheel-Trans contracted taxis through the King Street Transit Priority Corridor when working with Wheel-Trans customers in the same manner as TTC streetcars and Wheel-Trans vehicles.
