

## **Notice of Motion – Wheel Flats & Noise Issues on Line 2**

### **TTC Board Decision**

---

The TTC Board, at its meeting on April 11, 2019 adopted the following Member motion:

1. Request TTC staff report back to the July 10, 2019 TTC Board Meeting on noise complaints and repair/replacement processes related to wheel flats on Line 2, further to and/or including the ongoing investigation being conducted by the National Research Council of Canada (NRC) and TTC in partnership:
  - a. Include counts on wheel turnover and timelines for repairs vs. replacement for wheel flats
  - b. Include decibel readings on noise from wheel flats
  - c. Root causes of the noise, including aspects of the subway vehicle braking system
