

Motion without Notice - Overdose Prevention and Response by frontline TTC Employees

TTC Board Decision

The TTC Board, at its meeting on June 12, 2019, referred the following motion to staff:

1. The TTC Board receive for information the attached petition requesting frontline TTC employees be trained in overdose recognition and response and equipped with lifesaving naloxone.
2. The TTC Board request the Chief Executive Officer to participate with Toronto Public Health the Chair of the Toronto Drug Strategy, and the Works Agency in their development of a comprehensive overdose prevention strategy.
