

Procurement Authorization – Bus and Streetcar Servicing and Cleaning

TTC Board Decision

The TTC Board, at its meeting on December 7, 2023, adopted the following:

1. Authorize the award of a contract to TBM Service Group Inc. with an upset limit amount of \$107.0 million, inclusive of HST, for bus servicing and cleaning services at nine TTC city bus garage facilities for a five-year term commencing January 1, 2024 on the basis that it was the only qualified bid received.
2. Authorize the contract option with TBM Service Group Inc. for a one-year period, from January 1, 2024 to December 31, 2024 for streetcar daily servicing, midday and detailed cleaning and increase the contract value by up to \$4 million, inclusive of HST.
3. Before December 2024, ensure that:
 - a. ATU Local 113 is given a fair opportunity to make a complete, competitive bid for bringing the same work in house, and to present that bid to the Board.
 - b. After consulting with ATU Local 113, staff provide a complete financial comparison of in-house and out-sourced bus and streetcar servicing, including all TTC resources that support or liaise with the contractor, are related to the contract or that otherwise would not be incurred if the work were done in-house, and
 - c. Staff provide a comparison of in-house and out-sourced options in terms of:
 - i. Work quality;
 - ii. Worker training and qualifications;
 - iii. Worker recruitment, especially for women and disadvantaged groups;
 - iv. Workflow coordination and efficiency, and
 - v. Toronto's Fair Wage policy.
 - d. That the process and analysis contemplated in item 3 be conducted under the guidance of a Fairness Monitor.
